

## **NIUE SHIP REGISTRY**

10 Anson Road #25-15, International Plaza, Singapore 079903 Tel: +65 6226-2001 Fax: +65 6226-3001 Email:info@niueship.com Website: www.niueship.com

## FLAG STATE INSPECTION REPORT (FORM DEF)

## Notes:

- 1. This form is to be completed by the FSI Inspector after identifying the deficiencies resulting from the inspection.
- 2. The Master shall take actions to rectify the below listed deficiencies at the earliest opportunity and the results reported to the company DPA who will in turn report the rectification to this Administration.
- 3. A copy of this deficiency list will also be forwarded to the DPA.

| Vessel Name           | IMO Number     | Official Number |
|-----------------------|----------------|-----------------|
| Name of FSI Inspector | Port / Country | Date            |

| No. | Deficiency<br>Code | Description of Deficiency | Action<br>Code | Rectification<br>Due Date | Status<br>Code |
|-----|--------------------|---------------------------|----------------|---------------------------|----------------|
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
|     |                    |                           |                |                           |                |
