ABOUT NIUE

Niue is a Pacific Island paradise and is the largest coral island atoll in the world located in the South Pacific Ocean 2400km north east of New Zealand.

As a self governing territory in free association with New Zealand, Niue is fully responsible for its own internal affairs.

In 2012, the country established the Niue Ship Registry through the enactment of the Merchant Shipping (Registration of Foreign Vessels) Act 2012 that allows sea-going ships owned by a foreign owner to fly the Niue flag.

MARITIME LEGISLATION

Ships flying the Niue flag must comply with the Merchant Shipping (Registration of Foreign Vessels) Act 2012 which can be downloaded from our website.
