

# NIUE SHIP REGISTRY

Website: [www.niueship.com](http://www.niueship.com)

## COVID-19 BUSINESS CONTINUITY NOTICE (Circular NMC4.2020 (rev0))

### PURPOSE:

The purpose of this circular is to notify all stakeholders on the actions taken by the Niue Ship Registry (NSR) to facilitate business continuity in light of the COVID-19 situation.

### APPLICATION:

This circular applies to all Niue flagged vessels.

### CONTENTS:

In light of the current global COVID-19 situation, NSR takes this opportunity to assure all stakeholders that the ship registry will continue to operate as usual while ensuring the safety of our staff.

To address the challenges faced by the industry, NSR has also taken the following actions:

1. Allowing the extension of seafarers' service period – refer to Niue Marine Circular NMC3.2020 – Extension of Service Period in Seafarers' Employment Agreement in response to Novel Coronavirus.
2. Approving extensions relating to surveys and inspections on a case-to-case basis.

Please continue to contact the NSR team via the following emails:

- (a) [operations@niueship.com](mailto:operations@niueship.com) (for registration matters and general enquiries)
- (b) [technical@niueship.com](mailto:technical@niueship.com) (for technical related matters and exemptions / extensions / dispensations)
- (c) [crewing@niueship.com](mailto:crewing@niueship.com) (for crew endorsement matters)
- (d) [accounts@niueship.com](mailto:accounts@niueship.com) (for billing and finance related matters)
- (e) [marsec@niueship.com](mailto:marsec@niueship.com) (for SSAS and maritime security related matters)

Our team is able to work remotely and securely, ensuring that we are well positioned to deliver the best possible service and maintain business continuity.

We will be monitoring the developments and we recommend everyone to take preventive measures to stay safe from COVID-19.

Please do not hesitate to contact the Registry at [operations@niueship.com](mailto:operations@niueship.com) or call: +65 6226-2001 for clarification.
